PRESTWICK

Prestwick is a quality, high rainfall property offered for genuine sale, located only 60km from Tamworth. Well watered, established pastures producing cattle that regularly top the Tamworth sale. In the current season Prestwick is carrying a good body of feed with excellent water supply.

Location -

381 Weabonga Road, Niangala NSW 2340

The property is situated 60km east of Tamworth via a sealed road with approx. 6km of all-weather gravel. By district standards, the property is considered conveniently located to livestock markets & services.

Area -

1171 hectares or 2894 acres freehold

Carrying Capacity -

Currently, the property is used for a breeding and fattening enterprise. The owner estimates the property, in its current state, to run 300 cows & calves but with further development this could be increased.

Country -

Soils:

The soils are all mainly red & brown basalt soils with some trap country along the ridge.

Topography:

Running along the front of the property there is some very good sloping grazing country which runs back onto some steeper ridges. The back of the property runs back to the Mulla Creek where some steeper country is found.
